Friends Boys School

Faculty & Administration

Mr. Fuad Zaru , Principal

مدير المدرسة الى طلاب وطالبات الصف المتخرج

اعزائي طلاب وطالبات الصف المتخرج :

كلنا نعرف المصاعب والازمات التي يعيشها شعبنا العربي عامة والفلسطيني خاصة ، فنحن جميعا نناضل من أجل الحريات الاساسية التي تسعى اليها جميع شعوب العالم والتي هي حق مقدس لكل شعب ولكل فرد . نحن كبناي شعوب العالم نريد أن نكون أحرارا من الحروب ووبلائها، أحرارا من الفقر والجهل والمرض، نحب أن نكون أحرارا بالفكر والقول والعمل لنقرر مصيرنا بأنفسنا ، فالشعب الفلسطيني ليس بحاجة لوصاية أحد عليه

والسؤال هنا أعزائي الخريجين والخريجات ، ما هو الثمن الذي يجب أن ندفعه للحصول على هذه الحريات والتخلص من هذه القيود ؟ ان هذه الحريات تتطلب منا الكثير الكثير ، تتطلب منا العمل المستمر الذي ينطوي على المسؤولية والشعور بالواجب والمحبة والتضحية من أجل المصالح العام فمع حرية الاختيار تقع على عاتقنا مسؤولية الاختيار المناسب ومع حرية الرأي تقع على عاتقنا مسؤولية التعبير عن رأينا ، ومع التحرر من الجهل تقع على عاتقنا مسؤولية استعمال معلوماتنا والاستفادة منها وليس دفنها أو خزنها ولا بد لي هنا أن أوضح أن الحرية لا تعطينا من التقيد بالقوانين والانظمة واتباع التعليمات في البيت ، في الشارع ، في المدرسة ، في العمل والتعامل مع الآخرين ، فالقوانين والانظمة تعلمنا وتساعدنا على أن نحب ونحترم الآخرين ونستمع لهم .

انني بهذه المناسبة اليوم أتحدث عن الحرية ، لان التعلم والتعليم علي مختلف فروعه ومستوياته هو من أجل التحرر ، من أجل التنمية ، من أجل المجتمع ، وهذه الفترة الزمنية القصيرة التي قضيتها معنا في مدرسة الفرندز للبنين خلال مرحلة الدراسة الثانوية هي فترة مهمة جدا في حياة كل فرد فيكم ، فهي تعتبر حجر الاساس لعمل ومهنة ودور عام في هذه الحياة لتربية الشخصية الانسانية لذاتها من جهة ولتربية هذه الشخصية للاسهام والمشاركة في التنمية الاجتماعية والاقتصادية من جهة أخرى وهاتان الوظيفتان متكاملتان .

أعزائي الخريجين والخريجات ، أنتم اليوم تقفون على مفترق الطرق ، فمنكم من سيفتار انهاء الحياة الدراسية والسير في طريق جديد يكرس له جميع طاقاته وقدراته ، ومنكم من سيفتار السير على نفس الطريق الا وهي متابعة الدراسة الجامعية العليا ، فمهما يكن الطريق الذي ستختارون ، فأنا انني بأسمى وبأسمى زملائي أعضاء الهيئة التدريسية في المدرسة أتقدم أكم جميعا بتهانينا القلبية الحارة متمنين لكم دوام الخير والنجاح والتوفيق في حياتكم المقبلة كي تتحملوا مسؤولياتكم وواجباتكم كاملة تجاه أهنتا وبلدنا لتحريرها من جميع القيود التي نكرت سابقتا والسير بها قدما نحو شاطئ السلامة والحرية والكرامة والاستقلال . .

مدرسة الفرندز للبنين

تأسست سنة ١٩٠١

قام بتأسيس مدرسة الفرندز للبنين سنة ١٩٠١ جماعة من جمعية (الاصحاب) الفرندز التي قامت بخدمات طبية وثقافية في الشرق الاوسط منذ عام ١٨٦٩ حيث جاءت الى فلسطين وأسست مدرسة الفرندز للبنات في رام الله والتي تعد من أقدم المعاهد التعليمية في المنطقة وبعدها أسست مدرسة الفرندز للبنين سنة ١٩٠١ رغبة منها في تقديم أفضل ما في الحضارة الغربية الى الشرق الأدنى . ومنذ أن تأسست هذه المدرسة وهدفها الجمع بين أرفع مستوى من التعليم وبين الثقافة المانعة التي من شأنها وقاية الطلاب والطالبات من كل ما هو فاسد ومضر وخلق بيئة اخلاقية راقية يحوطها سياج من التهذيب الخلقي . وفي عام ١٩٦٨ تآلفت لجنة استشارية محلية للإشراف على مدارس الفرندز ووضع مناهجها وسياستها العامة .

تجمع مدرسة الفرندز للبنين بين مراحل التعليم الثلاثة - الابتدائية والاعدادية والثانوية - وتعد طلابها للتقدم الى امتحان الشهادة الثانوية العامة - التوجيهي - حسب منهاج التربية والتعليم ، واطافة لذلك فقد أدخلت ادارة المدرسة موضوع التربية الفنية والموسيقى والاخلاق ومواضيع اضافية اخرى تدرس باللغة الانجليزية من أجل مساعدة الطفل على النمو نموا طبيعيا متكاملا ليصبح مواطنا اجتماعيا ومفكرا خلاقا ذا جسم سليم وخلق حميد وعواطف متزنه .

الواقع أن مقياس المدرسة الصحيح هو خريجوها ، فأنت اذا نظرت الى شتى فروع الخدمة العامة وجدت فيها اعداد كبيرة من خريجي المدرسة وطلابها القداماء ، فمنهم القياديون والتربويون والقضاة والاطباء والصيادلة والمحامون والتجار وغيرهم .

Friends Boys School
1901

The Friends Boys School was founded in 1901 with a very limited number of students by the Society of Friends which rendered many medical and educational services to this part of the world since 1869. The school is presently serving over 370 students from varying backgrounds and cultures. The school has attempted to achieve a high degree of academic excellence and to prepare its students to be useful and dedicated citizens.

Friends education is characterized by attempting to give sound training in practical skills for daily living and stressing a normal social environment by giving equal educational opportunities both for boys and girls in an atmosphere which recognizes the unique worth of each individual.

In the course of its long history the Friends Boys School has produced many distinguished citizens who have made many contributions to Palestine, the Middle East and the world.

is undecided about what he'll be
doing after graduation

We all have our good old days' tucked away inside our hearts, and we return to them in daydreams like cats to favorite armchairs.

Our memories aren't always as clear as we grow older. But, who can forget Abba's reaction after she saw the rabbit in her desk. And what will we use to play catch with, if we don't have Rima's shoes. Will we ever see a vision of loveliness or better, belly dancer than one member of our class; (Thanks Mahfous).

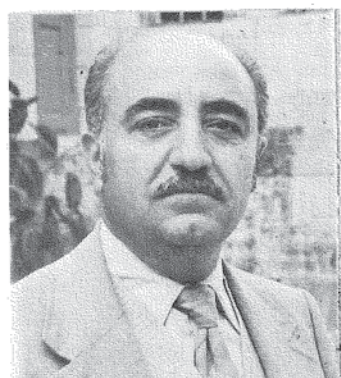

Did Ruba actually cry when she was dancing with the bee on the desk?

And will we be able to remember the lessons that our instructors gave us. Only Mr. Kapenga could show us how to open a briefcase without a key. And thanks to Mr. Ali Gaith we will all know how to conduct our weddings.

Secondary two just loves Rabbits...

One morning, after chapel, as soon as a Secondary

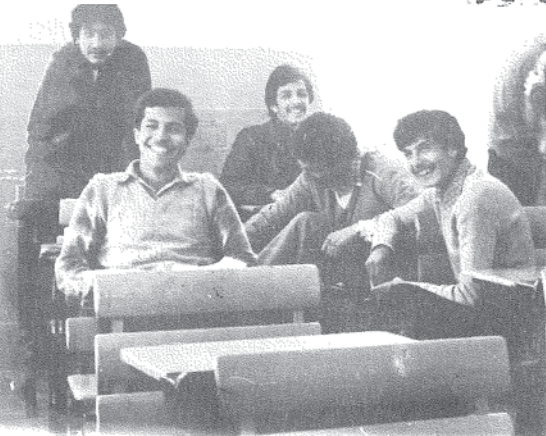

Two girl opened her desk, a sharp scream was heard, followed by her running out of the class. After a little while a rabbit came hopping out of the opened desk with a look of surprise in its eyes.

"What on earth was that cry for?" his eyes questioned!

... Remember the first day with girls in class Nader?

... We have learned: to check that our seats are not lifted up...!

SECONDARY ONE

مرتبة الشرف

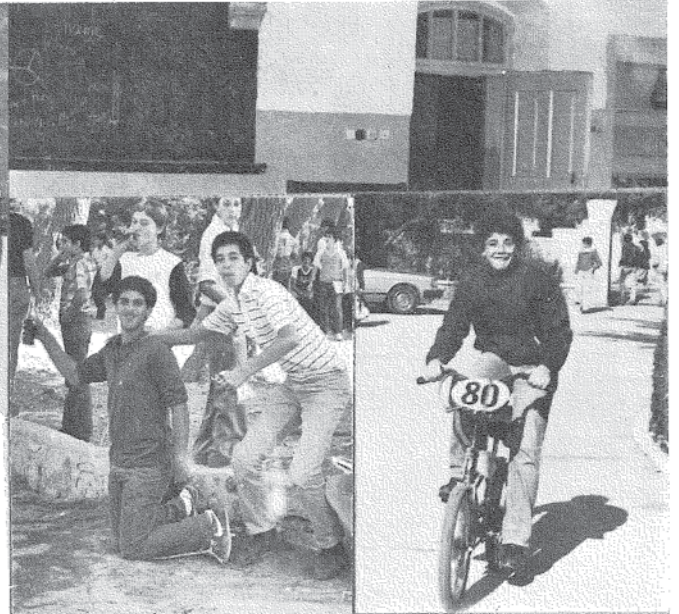

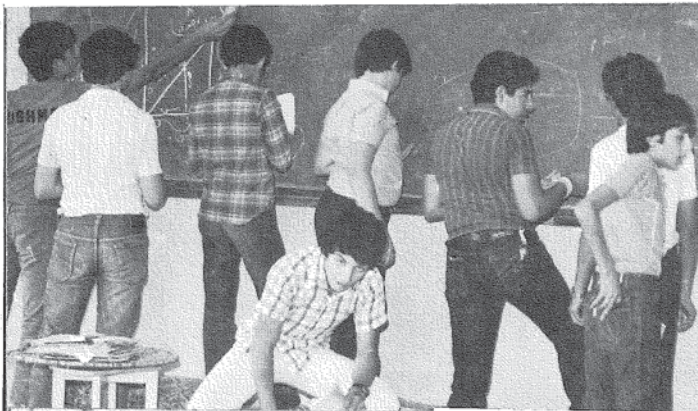

Even though the Secondary One class is usually free of girls this year it was graced with the presence of two young ladies. This sometimes brought out the best and sometimes the worst in the class.

Unfortunately the worst prevailed with Hani Atullah telling Mr. Takruri that he didn't understand anything, or the students ordering their teachers out instead of vice-versa. Our hope is to leave our childishness behind as we move on to Secondary Two. (If they'll let us !)

الرياضة

The Hope staff would like to apologise for having fewer sports pages than in the past. Because of the political situation here, many games and tournaments had to be cancelled.

★ ★ ★ ★ ★

The Girls' Basketball team was coached by Mr. Amarneh with the help of Mr. Daleske. As expected, the team was victorious in the two games they played; against F.G.S. and St. Olaf's girls. Even though they were not able to demonstrate their extraordinary skills, they kept to their practice as much as possible and never failed to play with all modesty.

★ ★ ★ ★ ★

Our great Red Team was coached by Mr. Daleske with the help of Mr. Amarneh. They are not only good, but rated as one of the best high-school basketball teams on the West Bank. They reached the finals in the Mutran tournaments and we know that they would have represented the school well in the final game, had it taken place.

★ ★ ★ ★ ★

The White Team was coached by Mr. Kapenga. One of their most interesting games was the one against the teachers, in which they lost by a few points (haram).

The soccer team, however, was coached by Mr. Braun and it included a number of talented and dedicated players who continued to practice, though over ten games were cancelled due to rain or otherwise. The young kids also formed soccer teams of their own which we hope will grow into strong teams to represent our school in the future.

★ ★ ★ ★ ★

The handball team, coached by Mr. Amarneh, practiced but their games were cancelled due to the situation.

★ ★ ★ ★ ★

A table-tennis tournament was held down in the P.E. room. Ibrahim Fasho came in first with lots of skill and fast moves. Bassam Salah came in 2nd in a show of great competence.

★ ★ ★ ★ ★

Another tournament of chess was held in which many students joined and it uncovered a number of excellent chess players like Nabil Tarazi and Mustafa Ismail who reached the finals

Two foot races and a tennis tournament were planned to take place but they had to be cancelled, again because of the political situation.

During P.E. classes, the students had several activities to choose from; some played soccer, others basketball or tennis, and yet others went to the P.E. room where they exercised on the trampoline or the wooden box, played table-tennis, or may be even did some weight lifting.

Amsterdam Airport Schiphol has been named "Europe's premier transfer airport."

You want Europe's best airport for fast connections. You can rely on KLM.

How do business travellers rate Amsterdam's International Airport Schiphol?

"Schiphol is the central airport of Europe... one of the world's most efficient and least congested," reports *Business Traveller* magazine, whose readers have voted it the "world's best."

The Schiphol Airport Authority has designed everything to speed transfer passengers on their way. All connections are in one terminal, under one roof. And the tax-free shopping is Europe's best.

"There are true bargains... liquor and tobacco are much cheaper than at the other European or North American airports. The electronic and photographic items are real reasons to fly Schiphol," says *Business Traveller*.

Another advantage is KLM. The national carrier has excellent connections.

KLM's punctual service starts at Schiphol and continues to 120 cities in 73 countries worldwide. It's one more reason that you can rely on KLM.
